

giving

back to the community

The Hastings Community Foundation is a public charity holding a variety of different charitable funds, large and small, established by individuals, families, nonprofit organizations, and businesses to benefit the Hastings area.

For 25 years, we've been a link between those who want to give and those in need. We help donors identify options for giving and carry out their wishes. Our goal is to assist donors in making the most of their generosity.

Key Society

A special opportunity to be
involved in community
giving...

the key society

building a stronger
community

The original 100+ members of the Key Society entirely funded the building of the SPLASH PAD at Libs Park in 2008. Since then, we have seen hundreds of children laughing, running among the water features and cooling off, while their parents and grandparents watched from the shaded benches surrounding the playground.

The Key Society was awarded the "Benefits Are Endless Award" from the Nebraska Recreation and Park Association for the project.

small donations can create big impact

To celebrate the Hastings Community Foundation's **25 Years of Giving**, we are inviting everyone to join the Key Society. We are hoping **250** families, individuals and businesses will donate **\$250** to get our next high impact project off the ground.

membership information

- Open to anyone who cares about our community.
- Cost is \$250 per year.
- Join as an individual, family, or business.
- You can also purchase a membership as a thoughtful and unique gift for anyone who cares about improving Hastings.

membership benefits

Members have the opportunity to meet others who care about Hastings, learn about critical community needs, get involved in innovative community projects, and meet the leaders of our non-profit organizations. Members will also receive Community Foundation publications. In addition, memberships are an excellent way to teach your family about charitable giving.
