## KEY SOCIETY FOR YOUNG PROFESSIONALS

### BY CONTRIBUTING A LITTLE, YOU CAN DO A LOT!

That's why the Hastings Community Foundation started the Key Society in 2003. By combining resources, Key Society members make projects possible that improve the quality of life in Hastings - including the splash pad at Libs Park, YWCA multi-purpose room/kitchen and the Lincoln Park pavilion.

**Now, you have the opportunity to be part  
of the Key Society at a reduced rate!**
